

February 17, 2010

Dear Parents,

We are beginning registration for next year's Religious Education classes. If you would like to have your child participate in this program, you may register by completing the form on the back of this letter. Please fill out the form and return it to the Religious Education Office. In addition, all grade school students must have the release form completed and returned as well in order to be released from Waldron Public School for religion class.

As our costs of offering religious education continue to rise, this year we have been forced to raise our tuition. We take great pride in keeping tuition as affordable as possible and for that reason have not had an increase for some time. **The new tuition for Religious Education is \$90.00 per student for all grades, 1<sup>st</sup> through 12<sup>th</sup>, if registration and payment are received by May 31, 2010. For registration and payments received after May 31, 2010, the cost of tuition is \$100.00 per student.** If you are absolutely unable to pay the religious education fee, please submit the registration form stating that you would like financial aid. No one will be denied Religious Education because of an inability to pay.

This year we are once again going to be making frequent use of our program website - [www.mhtparish.com](http://www.mhtparish.com). The website is used to make announcements, post calendars, and display other information throughout the year.

The program website is just one way that we are trying to keep parents informed and involved in their children's religious education. Email is another tool that we use to keep parents up to date. Please consider filling in your email address on the registration form to help us save on phone calls and postage and we will keep you updated.

The Religious Education Program is here to assist you with educating your children in the Catholic Faith. If there any ways that you feel we could better achieve this goal, please let me know. Thank you very much for your support and may God bless you and your families.

Sincerely,

Andrew Halfman  
Director of Religious Education  
Most Holy Trinity Parish
