

Lunch Supervision Guidelines

Thank you for helping MHT School with our recess supervision.

- 11:45 Report to the office so that we know we have supervisors for recess. You may bring young children with you, but know that unless it is raining or extremely cold, the students will be outside. Use your own judgment on that.
- 11:50 Supervisors place cones (they are located inside the front of the old building) at the ends of the road.
- 11:52 First group of students come out. Supervisors please watch the students. They may play behind the Activity Center (behind the garage only-not between the Activity Center and garage), but away from all roads. They may also play in the parking lot, but not by any cars that are parked. They should not be by the Activity Center, especially in the front or anywhere out of your view.
- 12:08 Second group of students are dismissed from the lunchroom. Please send in the first group for lunch. The students should not be eating outside!!!
- 12:22 Students should return to their classrooms. Supervisors should collect the cones and go to the lunchroom to wash the tables and microwaves. There are dishcloths and plastic containers available and bleach (about 1 capful) should be added to the water.
- After the tables are cleaned your supervision is complete. Please ask if you have any questions. Please inform the office if you encounter any problems. **THANK YOU SO MUCH FOR GIVING YOUR VALUABLE TIME TO US! MAY GOD BLESS YOU!**
- Please make sure that someone is watching the students that are on the swings. Children love to try things and we want to keep the students from harm.

Playground Rules:

Outside Recess

Be respectful to other students and our volunteers. No fighting.

Touch football only. **NO TACKLE FOOTBALL!**

Do not play in the immediate area of the funeral home or other buildings. No playing on the grass beside the funeral home.

If the supervisor thinks that the students are abusing any playground equipment, then students should not be allowed to use it. Use common sense!

No hanging on basketball rims.

During the winter months there should be no snowball throwing.

Please use the restrooms before or after recess.

All equipment must be taken care of after each recess.

Inside Recess Rules

No throwing of any kind in the classroom.

Students may play on the computers if the teacher gives permission.

Students may not leave the room unless they are given permission by the lunch supervisor.

Restrooms should be used before and after the lunchtime.

Please do not yell.

Failure to follow the rules established may give the supervisor permission to send students to the office.
