

## **MHT Students & the Rosary**

We have a wonderful opportunity for students to volunteer at the Church by helping lead the rosary before the 4:30 & 10:30 weekend masses. MHT students have a designated slot in the rotation for these masses this school year. The rotation averages about once every 3-5 weeks. There will be 5 students leading the rosary, with each student leading one decade. The number of students that sign up will determine how often each student will be assigned to help lead at a mass.

There are some guide sheets that help the students thru the process, even including the Hail Mary and Our Father. Students will be required to arrive 25-30 minutes prior to mass starting. The rosary will be reviewed and any questions answered. The students will sit in chairs/pew located by the pulpit (where the altar servers sit) and take their turn for the decade they are assigned. There will be a parent to help adjust microphone and help with the step stool if necessary. Once the rosary is completed, the students can return to their seat.

*We are also looking for parent volunteers to assist the students with the rosary. Please contact the school for more information at 989-593-2616.*
