

September 9, 2011

Dear Parents,

Every year the student council raises money to support school activities such as our Veterans' Reception, Prayer Pal ice cream social and special treats or activities for the students throughout the year. The students also choose various organizations or individuals to donate to such as Smile Train, The Children of Matamoros Orphanage and Austin's House just to name a few.

The money to support these worthy causes comes in various forms, from students and staff paying to have dress down days, Gatorade/Lemonade sales each Tuesday to concessions during student council sponsored movies.

This year we will continue to have a weekly bake sale. Each week we will be asking two families to provide three dozen baked goods such as cookies, bars or cupcakes, for a total of six dozen individual treats to be sold during lunch for \$.25 each. Baked goods can be purchased by fellow students and staff. The students of the families that provide the treat will be the ones selling the items during lunch.

Refer to the attached schedule for your turn to provide the baked goods. When your student(s) is scheduled to work at the bake sale, then it is also your turn to provide the items being sold.

Thank you and God Bless,

MHT Student Council
