

Kroger has announced that they are changing their community rewards program. Beginning May 1, 2009, you will no longer need to purchase or reload gift cards to earn scrip reimbursements. Instead you simply need to register your Kroger Plus card online or at the check-out and rewards will be credited automatically. Simply follow one of the methods below:

**1. Registering on-line:**

- a. Log into [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com)
- b. Be sure to have your Kroger Plus card handy. If you do not have a Kroger Plus card, they are available at the customer service desk at any Kroger.
- c. Click on "Sign In/Register".
- d. If you are new online customer, click on "SIGN UP TODAY" under "New Customer?"
- e. Sign up for a Kroger Rewards Account by entering zip code, clicking on favorite store, entering your email address, creating a password, and finally agreeing to the terms and conditions.
- f. You will then receive a message instructing you to check your email inbox. You will then click on the link within the body of that e-mail.
- g. Click on "My Account" and use your email address and password to proceed to the next step.
- h. Click on "Edit Kroger Community Rewards" information and input your Kroger Plus card number.
- i. Update or confirm your information.
- j. Enter NPO number (82831) or name of organization (Most Holy Trinity School), select organization from list and click "Confirm"
- k. To verify you are enrolled correctly, you will see your organization's name on the right side of your information page.
- l. REMEMBER, purchases will not be credited to MHT school until your card is registered.
- m. When shopping at Kroger, members must swipe their registered Kroger Plus card or use the phone number that is related to their registered Kroger Plus card when shopping to receive credit for each purchase.

**2. Registering with barcode at check-out:**

If registering on-line does not work for you, please call the school office and we will supply you with a barcode that can be used at any Kroger register. Then follow the instructions below:

- a. Take the barcode with you the next time you shop at Kroger and hand it to the cashier.
- b. Within your order, ask the cashier to scan both the barcode below and your Kroger Plus Card. If you do not have your Kroger Plus Card with you, enter your phone number into the keypad.
- c. Within 72 hours your Kroger Plus Card will automatically be linked with Most Holy Trinity School.
- d. You only need to scan this letter once to create the link between your card and MHT. You must continue scanning your Kroger Plus Card or inputting your phone number during all purchases to earn credit towards the MHT scrip program.

Still have questions? Please call the school office at 593-2616.
