Music News

We want to let everyone know that some changes are coming up with our Music Ministry. Eduardo's business is expanding which is making it more and more difficult for him to commute from Flint. As our music needs continue to expand, we have decided that it's time for us to go in a different direction. Eduardo will be with us until July 1st but we are starting the process of looking for a new part time music director. Anyone who is interested can contact Adam at the parish office. We want to thank our music director, Eduardo Guerra, for his work here at the parish during the last three years and ask God's blessing on him.

Text & Email Notifications

We have been looking at ways to improve communication when changes happen on short notice at the parish. For instance, many parishioners have asked about being notified of visitation times and funerals for when parishioners pass away outside of an announcement at weekend masses. With Father's different foot surgeries, we aren't always able to announce if daily mass times change. To improve communication during the week, we have set up an email and text message notification system. This system will be used exclusively for parishioner funeral details and mass changes. Information about how to sign up is outlined below. If you have any trouble signing up, please contact Mary Schomisch via email at mhtyouth-mary@gmail.com
