

SCRIP Update

Thank you to everyone that participates in the SCRIP program- it is a Win-Win to help MHT School and families with the tuition. More of the gift certificates continue to move toward a digital format. Because of that, we will not be refilling the current inventory the office has been maintaining. Gift cards can still be ordered during our monthly ordering process – just the office will no longer have items on hand. With that, we are working to eliminate the inventory we do have. Below is the list of items available- if you are interested in purchasing any of the gift cards, please contact the office. Thank you!
