

# MHT School

## NWEA Test Scores

### 8th Grade Reading

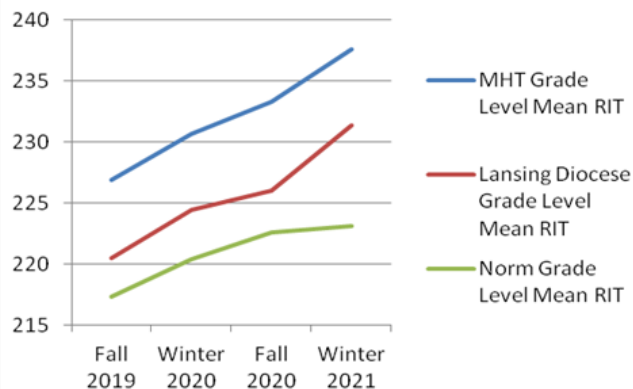

### 8th Grade Math

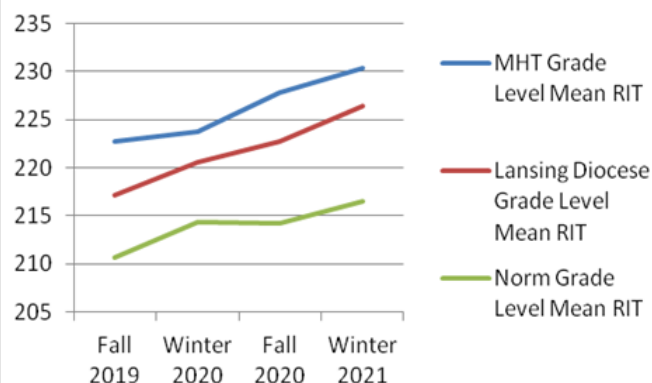

*To reduce the amount of time testing, students were only tested in reading and math this year. These graphs show results starting with the fall of 2019 through winter 2021.*

### 7th Grade Math

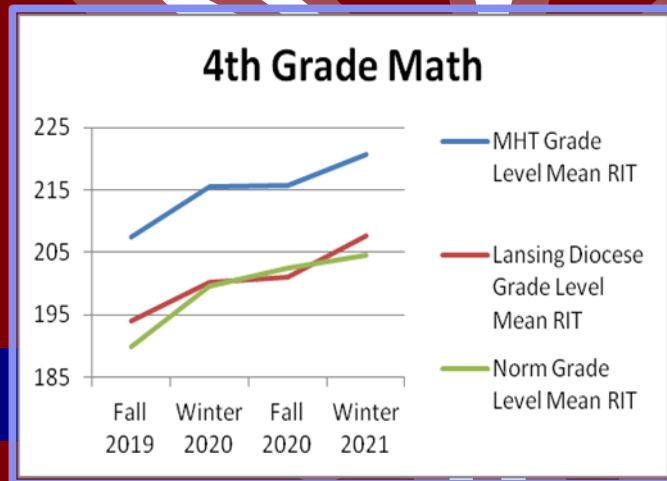

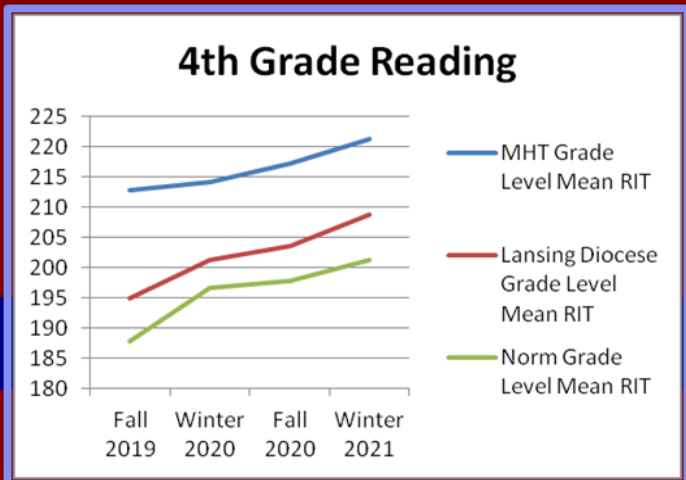

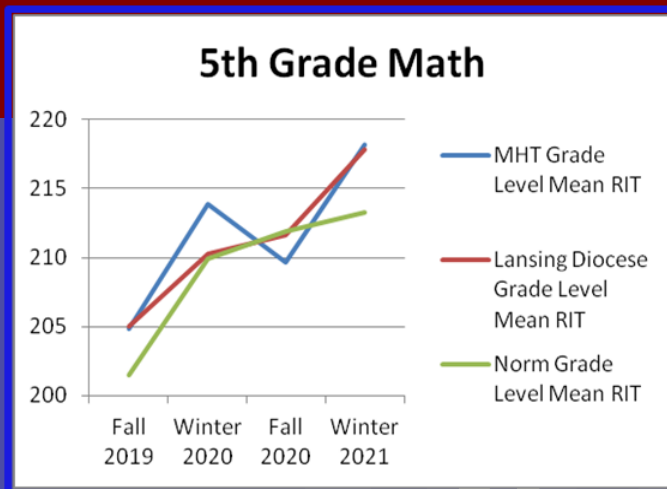

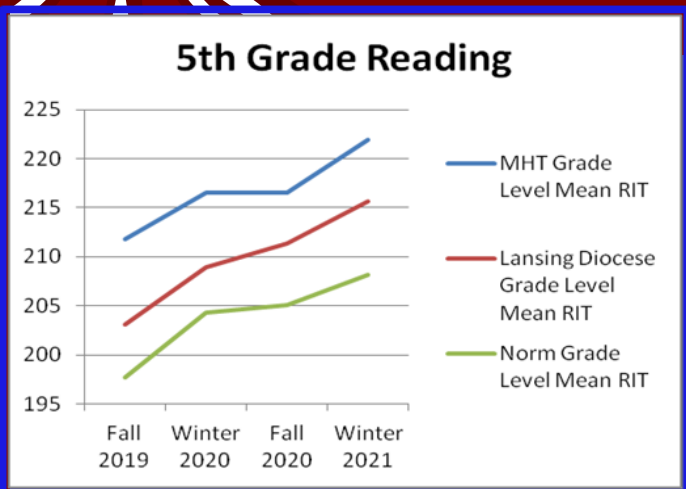

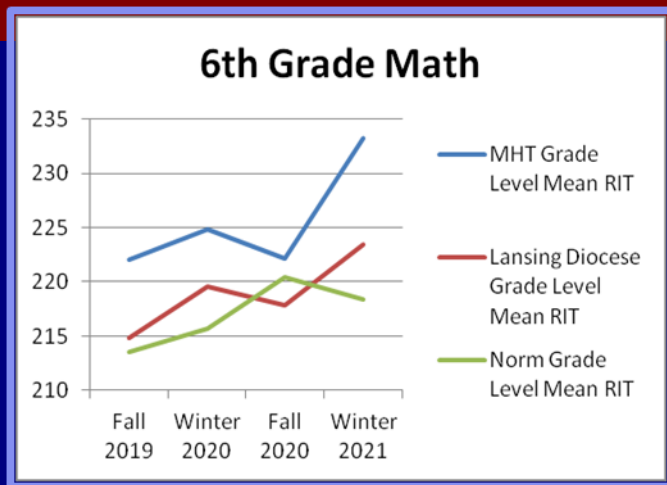

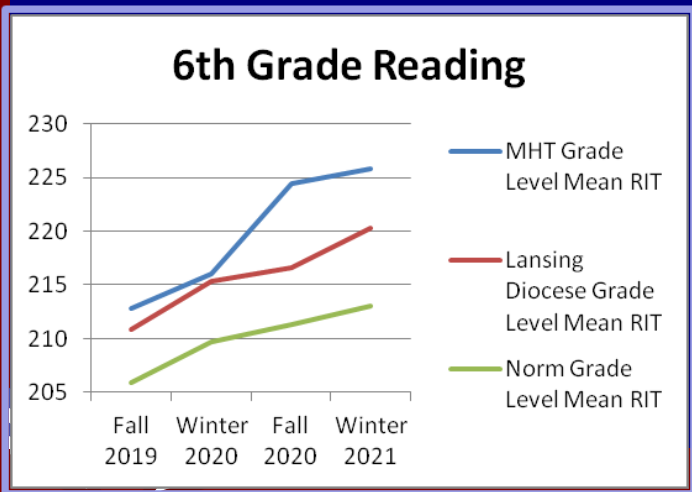

### 7th Grade Reading

Results indicate some students do better with remote learning than others. One thing is clear, they all learn better when they are in-person! Thank you MHT teachers for making such a difference.

## 3rd Grade Reading

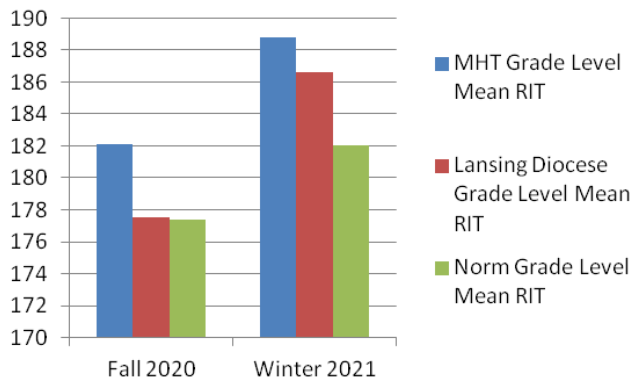

## 3rd Grade Math

## 2nd Grade Reading

## 2nd Grade Math

Testing begins in 2nd grade so their results begin with the fall of 2020. The first part of the school year is heavy in reading and phonics which is supported by the results shown here.

Results indicate some students do better with remote learning than others. One thing is clear, they learn better when they are in-person! Thank you MHT teachers for making such a difference.
